

Key Information Document – Umbrella

FJWilson Limited

Edition: April 2022

This document sets out key information about your relationship with FJWilson Limited, and the umbrella company (**Pendragon Consultancy Ltd**) you have chosen to use in your engagement including details about pay, holiday entitlement and other benefits.

In electing to be engaged by and paid through an Umbrella you understand that you have chosen a third-party organisation to calculate your tax and other deductions and then pay you for the work undertaken for the hirer. The money earned on your assignments will be transferred to the Umbrella as part of their income. They will then pay you your wage on a PAYE basis (and subject to the deductions listed below). You may be engaged as a statutory worker or an employee by your chosen Umbrella. Please contact them if you have any further queries relating to your contract.

The Employment Agency Standards (EAS) Inspectorate is the government authority responsible for the enforcement of certain agency worker rights. You can raise a concern with them directly on 020 7215 5000 or through the ACAS helpline on 0300 123 1100, Monday to Friday, 8am to 6pm.
